TOWN CLERK'S OFFICE.

SOUTHBOROUGH,
MASS.

September 27th 1895

In relation to the name of the child of Albert E. and Annie M. Hutt - born Oct. 16th 1891.
There was no name given to me for the child when the returns were made out for the State Department in January 1892.
The father came into my office a few days some time after the returns had been sent in and said the name of the child would be Sarah Augusta, as the town records were in the safe at the Town House, I did not make a record at the time; afterwards the mother came to me and requested me to record the name as Alice Pearl. I made the entry as she requested although the blank at the State Dept. has never been filled out. Now the question arises between the father and mother as to what the child shall be called, each declaring the name shall be as they say.

Henry A. McMaster,
Town Clerk of Southborough.

This slip is here inserted by order from the office of the Secretary of the Commonwealth.
